

Sucden
Financial

General Brokerage

Sucden Financial is a leading Commodities, Financial Futures and Options Broker, with a strong and established market reputation spanning over 35 years. As a member of the world's major exchanges, we are able to deal in virtually every commodity and financial futures and options contract. Our global market presence coupled with the expertise and experience of our trading teams, has established Sucden Financial as the derivative broker of first choice.

Sucden Financial's General Brokerage Desk is an integral part of its Industrial Commodities team. We provide a high quality execution service on all of the world's major futures and options exchanges, through our own exchange memberships and through key alliances and relationships with floor members and clearers.

Sucden Financial recognises that the rapid dissemination of key industry news or market activity is of high value to all our clients. We understand its importance and seek to ensure that our customers are kept informed.
