

Cotton

Sucden Financial is a leading Commodities, Financial Futures and Options Broker, with a strong and established market reputation spanning over 35 years. As a member of the world's major exchanges, we are able to deal in virtually every commodity and financial futures and options contract. Our global market presence coupled with the expertise and experience of our trading teams, has established Sucden Financial as the derivative broker of first choice.

#### Expertise

Cotton trading is an important part of our agricultural trading offering and we always ensure the best quality of service for our clients. Our cotton experts in Paris combine the wide range of product and industry knowledge needed, together with the essential wealth of market experience to effectively and efficiently assist our clients in their cotton trading decisions. Furthermore, at Sucden Financial we believe that our clients should be able to have all the information required for their trading transactions. For this purpose, Sucden Financial is currently the only European broker producing a daily cotton report.
